

Regarding the question which books you should read?

First of all it's the bible you should read. That is the only book you will ever need.

Then comes the question which Bible version should i read?

If you are english speaking then you should read the king james bible. If you are swedish then you should read the king james bible. Because there is no correct bible available for sale in swedish in [roman type](#). Karl XII's bible is available online in roman type but its not available in roman type printed on paper.

If you are non english then it might exist a version in your language. The correct version of the bible were published before [1880](#). For example I think there is a correct version of the bible in [farsi](#) and in [spanish](#) etc. To find out more about this check [the shop of avpublications.com](#).

Then comes the question which king james bible should i buy?

There are king james bibles that have been changed. For example Broadman Holman Publishers have copyrighted the king james bible text in some of the bibles they sell. Which means they must have done a significant change to the text because you are not allowed to take out a copyright unless there is a substantial change.

The trusted publishers are [Cambridge](#), [Oxford](#), [TBS](#), [LCBP](#). You can read more about this in this document:

[SETTINGS OF THE KING JAMES BIBLE: A Review with Recommendations On Its 400th Anniversary by G. A. Riplinger.](#)

Often you can find these bibles in your national internet bookstore. Search on ISBN number. First find the book on the international publishers homepage. Take the isbn number and put it directly into google or into the search field of the national internet bookstore.

Title	ISBN	Font size	Prize	Comment
KJV Large Print Text Bible KJ650:T	9780521163347	11	£30	Good enough for reading unless you get tired.

KJV Large Print Text Bible, Black French Morocco Leather KJ653:T	9780521508810	11	£70	Same as above but leather.
Windsor Text Bible (hardback) - Black [25A/BK]	9781862283305	9.6	£8.50	Cheap but small text.
Extra Large Print Bible (flexible vinyl) - Blue [BLP]	9781862281332	15.5	£28	Nice large text but too large to take with you.
Giant-Print New Testament	9780521871716	22	£25	Complementary since only NT

I also recommend listening to the king james audio bible narrated by Alexander Scourby. Its available for free on [youtube](#).

How often should i read in the bible?

I recommend that you read the new testament of the king james bible for an hour every day. Start the day by an hour of reading in the new testament. Reading the old testament can be done in addition to that hour of reading of the new testament but its optional. Listening to the audio bible can also be done in addition to that but optional.
